

# Foundational System

“2 Pack”

Whether you are seeking to maintain healthy vitality or address specific health issues, we offer two “core” products that are absolutely necessary. This scientifically matched supplement combination will help set a solid foundation, enabling you to thrive throughout your day, and effectively address more difficult wellness issues. Nutritional benefits will be enhanced by both products ability to increase cellular absorption. Together, on a daily basis, they offer the cell a full spectrum of nutrients with maximum benefits.

## FOUNDATIONAL SYSTEM Support:

- 310 Food Based Ingredients - NON-GMO
- Increased Energy Levels
- Improved Mental Clarity
- Doctor Formulated & Recommended
- Enhanced Cellular Potential
- Healthy pH Levels
- Improved Mitochondrial Function
- Anti-Microbial & Immunity Boosters

These two scientifically studied formulas help reset the body into a healthy state. Many people find their specific issues can be resolved simply by bringing the body back into a state of balance. *Getting a full complement of high quality nutrients into the body is one thing. Getting the body to fully metabolize these nutrients is something else altogether.*

The **FOUNDATIONAL SYSTEM** is key to set the foundation for proper nutrient uptake and offer your body benefits far beyond your intended goals. This (2-Product) combination is commonly referred to as ENHANCE YOUR CELLS and FEED YOUR CELLS.

## ① ENHANCE YOUR CELLS...

**Vibrant & Clear™ Phospholipid Wafers:** Provide Daily Membrane Lipid Replacement (MLR)

Antioxidants can be effective at neutralizing free radicals that damage cell membranes caused by: *exercise, drugs, alcohol, antibiotics, tobacco, digestion, exercise and pollutants to name a few.* However, when damage is already done, traditional antioxidants have no ability to repair that damage.

Now, the lipids available in **Vibrant & Clear Phospholipid Wafers** enhance the damaged phospholipids in the cell membranes with vibrant healthy phospholipids. These berry flavored, chewable wafers allow the cells to process nutrients more effectively.

**FACT:** We have over 15 years of proven research to show its overall effectiveness in aiding proper cell function through Membrane Lipid Replacement Therapy. **Vibrant & Clear Phospholipid Wafers** are an essential component to any nutritional supplement protocol.

## ② FEED YOUR CELLS...

**DAILYMetrix™ Functional Liquid, Multi-Vitamin, Multi-Mineral and Wholefood Complex:**

Our powerful formula contains 310 of the Earth’s finest nutritional ingredients including all the Natural Vitamins, 74+ Natural Ionic Minerals, Phytonutrients, Whole Foods, Digestive Enzymes, Fatty Acids, Herbal-Botanical Elements and Much More...

**DAILYMetrix** uses nature’s own technology, a super concentrated Humic and Fulvic Acid powerhouse, to deliver directly to the cells full spectrum, cell-ready nutrition, which helps to support your life, health and wellness. **DAILYMetrix** provides balanced, NON-GMO, whole food wellness in *liquid form.*

The Humic and Fulvic Acid found in **DAILYMetrix** are nature’s own delivery system to the cells. Nutrients that can actually be delivered to the cells facilitate all the biochemical processes that take place inside of it to support life-giving functions. If nutrients don’t make it to the cell, it’s like you never took them at all.

**FACT:** The independent group, The Physicians’ Desk Reference, advises vitamins are 98% absorbed in liquid form but only 20% in pill form.

## ③ FOCUS ON YOUR ISSUE...

**Add a Condition Specific Product to Make a 3 Pack.**

The **FOUNDATIONAL SYSTEM** will help maximize nutrient processing and deliver full spectrum nutrients to the body. **NOW, you can add another product to provide nutrients that address a specific wellness goal...**

## Muscle, Bone & Joint

“3 Pack”

Adding **AMAZING AMINOS AC** to the **FOUNDATIONAL SYSTEM** will supply a perfectly balanced amount of *predigested amino acids* to help support healthy muscles, bones and joints.

## AMAZING AMINOS AC Ingredient Support:

- Lean Muscle Creation
- Muscle Repair
- Bone and Joint Health
- Brain & Cardiovascular Functions

**AMAZING AMINO AC** acids are perfectly balanced in the naturally proportioned amounts needed to build new proteins and to support healthy physiological processes. **AMAZING AMINOS AC** are a pure source of all-natural, full spectrum, free form amino acids.

There is no supplement that comes close to this product, hence the name, **AMAZING AMINOS AC!** It consists of amino acids, short peptides and minerals that are derived from the finest Deep Caught Atlantic Cod. Most amino acid supplements are produced by industrial processes using bacteria or other synthetic processes while ours comes from a living organism – FISH.

**FACT:** Our amino acids are perfectly balanced in the naturally proportioned amounts needed to build new proteins and to support healthy physiological processes.

## Blood Sugar & Weight Control

“3 Pack”

Adding **D2Metrix Plus™** to the **FOUNDATIONAL SYSTEM** will supply the support needed to increase metabolic conversion of carbohydrates to assist in blood sugar and weight loss.

## D2Metrix Ingredient Support:

- Reducing Fat Cells
- Restricting Glucose Tissue Uptake
- Improved Lipid Profiles
- Stimulating Blood Sugar Metabolism

**D2Metrix Plus** *powered by (CARB).CTL* is not just a simple one attack nutritional product. **D2Metrix Plus** is a combination of natural, safe and effective ingredients that help control carbohydrate metabolism in many distinct ways. Together, this blend of 4 natural ingredients impacts the major control points of carbohydrate metabolism, which results in normalizing blood glucose levels while supporting weight loss.

The ingredients found in **D2Metrix Plus** have been heavily studied for decades and have been selected for their individual support to the overall formula as well as their synergistic effects to achieve desired results.

**FACT:** **D2Metrix Plus** is 100% safe, containing the most effective ingredients in its category. **D2Metrix Plus** puts back into the food supply what nature intended all along.
